

Dear Provider:

The City of Mesa Employee Benefits office has a website, [www.mesachip.org](http://www.mesachip.org), where providers can access health insurance information regarding City of Mesa plan members. Our Claims and Health Information Portal (CHIP) provides access to benefit, enrollment, and claims information for City of Mesa plan members and their dependents. You will only be able to view claim information for patients under your care.

By accessing CHIP, a provider may:

- View the summary of plan benefits
- Verify member eligibility
- Check individual and/or family deductibles
- View a patient's claim history and charge information

To access information on the website, you will need a provider ID and password. To obtain this necessary information, please complete the attached interest form.

If you have any questions, please feel free to contact the City of Mesa Employee Benefits Office at (480) 644-2299 or email [benefits.info@mesaaz.gov](mailto:benefits.info@mesaaz.gov).

Sincerely,

Employee Benefits Administration  
City of Mesa
